Children's Old Fashioned Christmas

Sunday, December 8, youngsters aged 3 to 8 and their smiling parents visited the Legler Barn. The children were guests of LHS at the annual Christmas Party and Teddy Bear Parade.

The "Story Lady", LHS Board member Lorraine Hill, read Christmas stories to the children and kept them enraptured with the traditional stories of Christmas.

Santa charmed each child, coaxed the shy ones as well as the not-so-shy to tell him their Christmas wishes. Santa rewarded each child with an autographed picture of himself and one to color. They also received a candy cane for a treat. Bedecked in his magnificent red costume and white beard, LHS Board member, Irv Hoffmann, proved again to be a Super Santa!

Each child paraded with his or her Teddy Bear accompanied by an "adult bear". It is reported that the big bears were really Thelma Moyer, Jimi Thompson and Julie Moyer who lent their wit and energy to the fun.

LHS past-president Mary Kay Smith was in charge of the overall operation of the event and the refreshments. Newton Smith assisted with setting up and providing coordination of activities. The Smiths also provided the video of Rudolph which the children enjoyed watching.

LHS BOARD NEWS

New Officers elected for 1996

At the January 9, 1996, LHS Board meeting, a new slate of officers was selected for the coming year. Elected officers include:

Bob Lillie, President; **Irv Hoffmann**, President-Elect; **Jane Klein**, Vice President and **Vance Carns**, Secretary-Treasurer.

Among items discussed at the meeting was a list of projects and improvements presented by President Lillie that the Board will deliberate on and act upon over the next few months. The list of ideas has been compiled from Board and LHS members over the past year.

Lillie pointed out to the Board that the establishment of these prioritized projects will define the near term and long term direction and goals for the Historical Society.

There are many worthwhile projects that the Society can pursue and therefore it is necessary to focus in on those of greatest need and importance if the Historical Society is to fulfill its mission of being "...dedicated to the appreciation, preservation and promotion of Lenexa's historical heritage", Lillie concluded.

QUILTERS STITCHES

1995 WAS A GREAT YEAR FOR LEGLER BARN QUILTERS.

In January, 1995, we had a double page spread in the Kansas City Magazine. In June we won a prize on our quilt, "Crow's Nest" at the Quilters Unlimited Showcase at Bartle Hall. Steve Baska, editor of the Lenexa Sun, was most kind with several articles about our quilters and our quilting. Best of all, we have had our best year financially, \$2811 of profit!

We laugh a lot, work hard and enjoy our friendships.

We ended the year with 18 great women on our roster (still no men quilters)! However, we lost our beloved Marilyn McLeod on January 7, 1996 and we will mourn for her for a long time. Marilyn was a lovely, beautiful woman, a born fighter, a cheerful sufferer and a gorgeous quilter. She was truly one in a trillion!
